THE TARRANCE GROUP

THE TARRANCE GROUP

March 7-8, 2010 / N=300 "likely" voters per district / ±5.8% M.O.E.

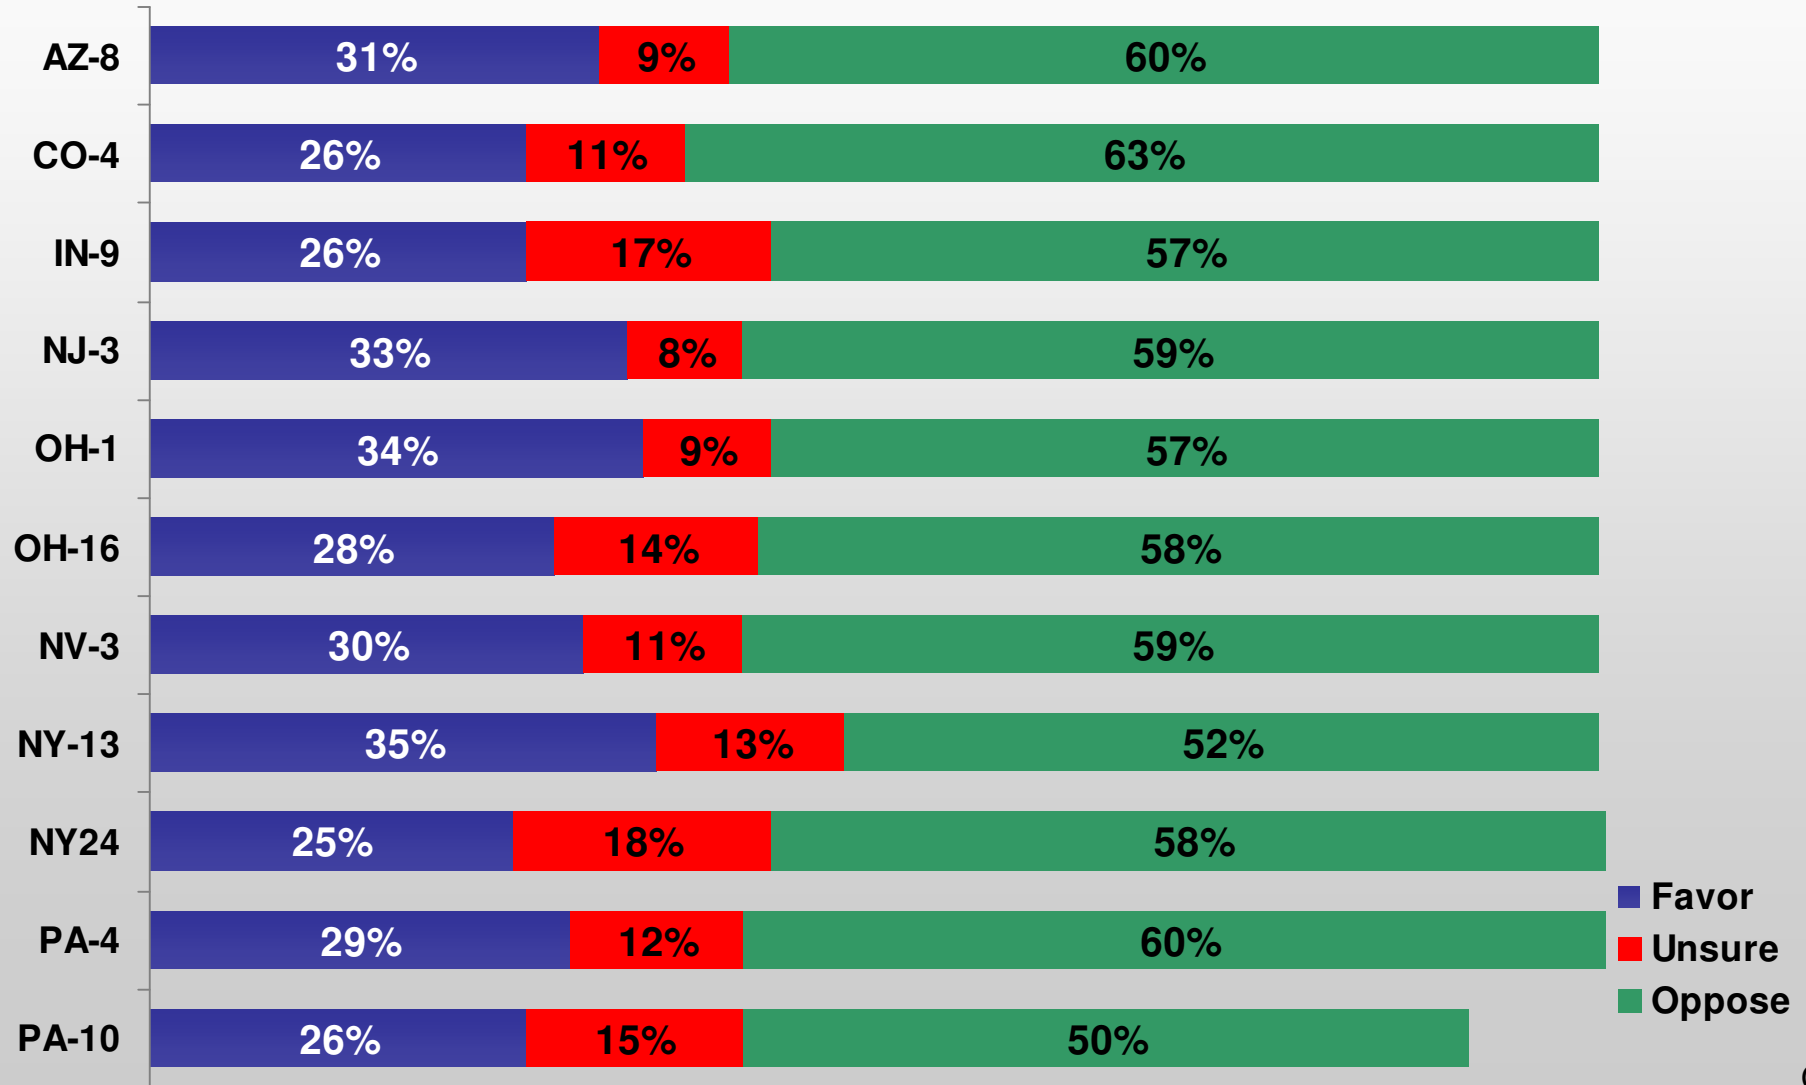

Do you favor or oppose the health care reform legislation being proposed by President Obama and the Democrats in Congress?

THE TARRANCE GROUP

March 7-8, 2010 / N=300 "likely" voters per district / ±5.8% M.O.E.

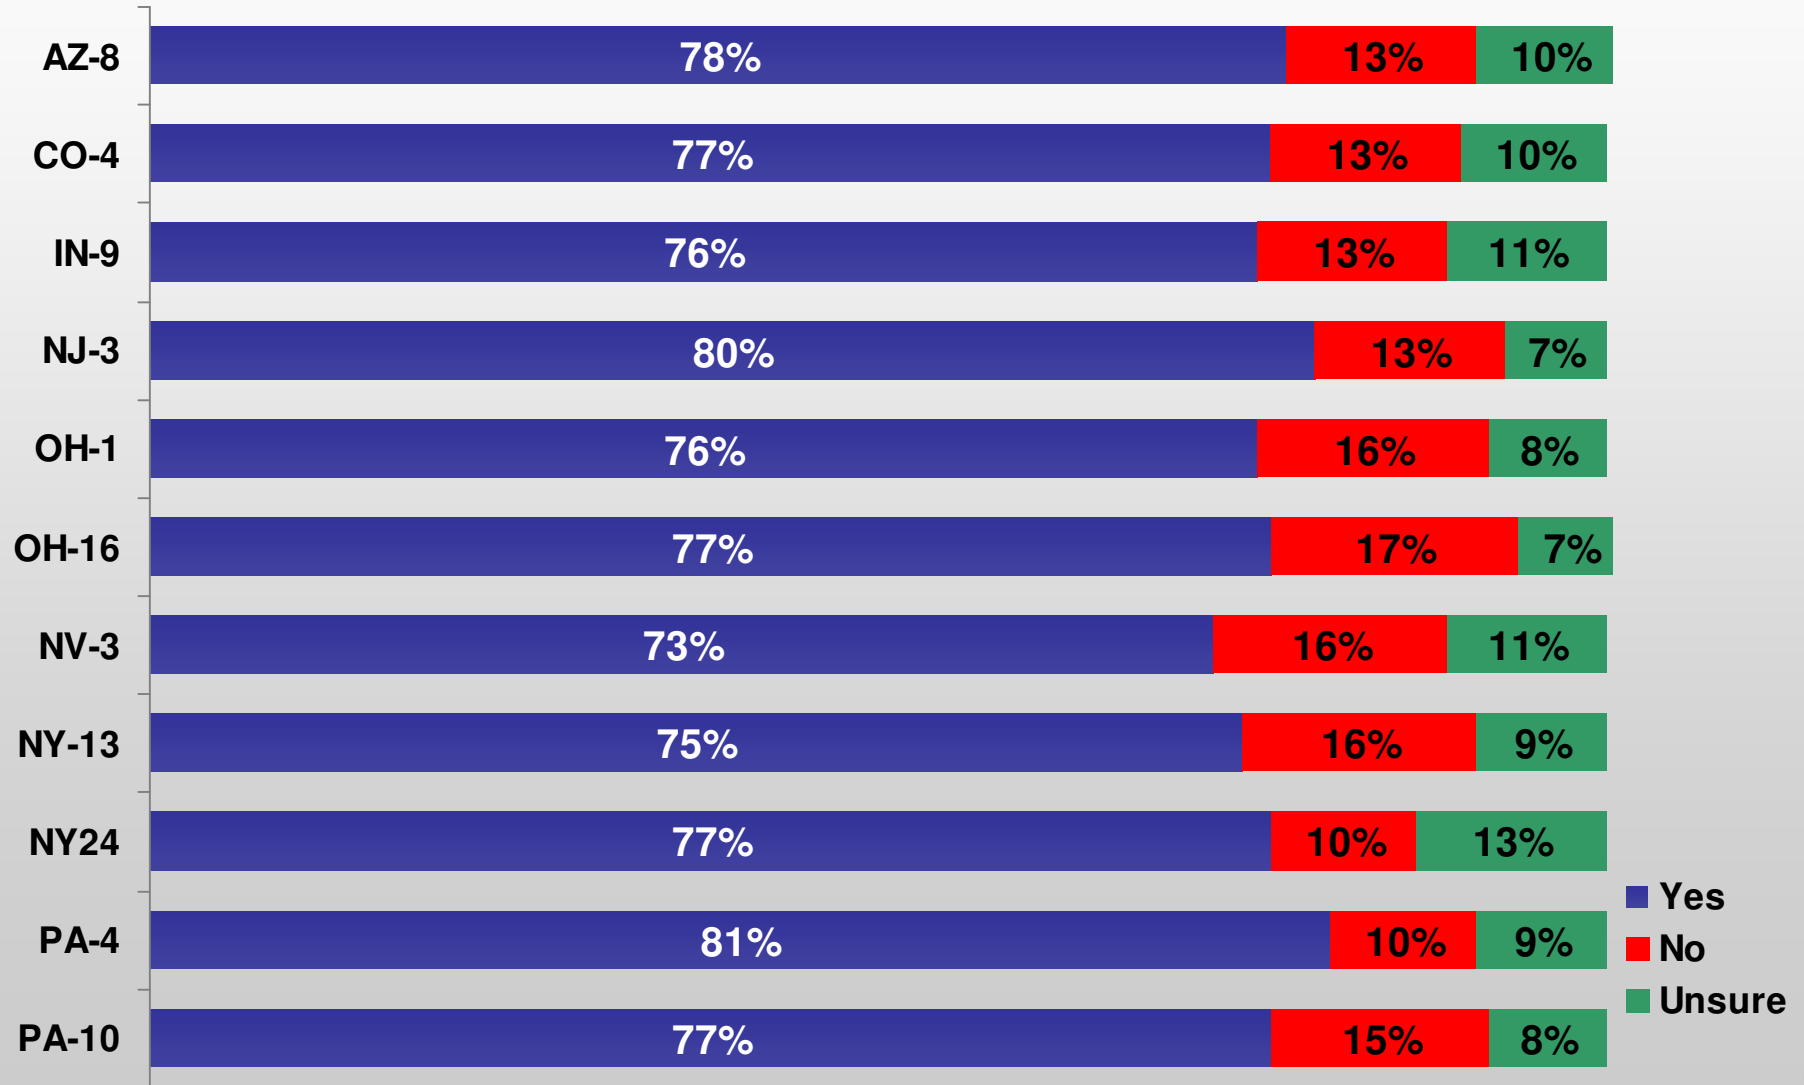

Would you favor or oppose the Democrats in Congress going outside of normal procedures and using a little known parliamentary tactic known as "reconciliation," to pass a health care bill over Republican objections?

THE TARRANCE GROUP

March 7-8, 2010 / N=300 "likely" voters per district / ±5.8% M.O.E.

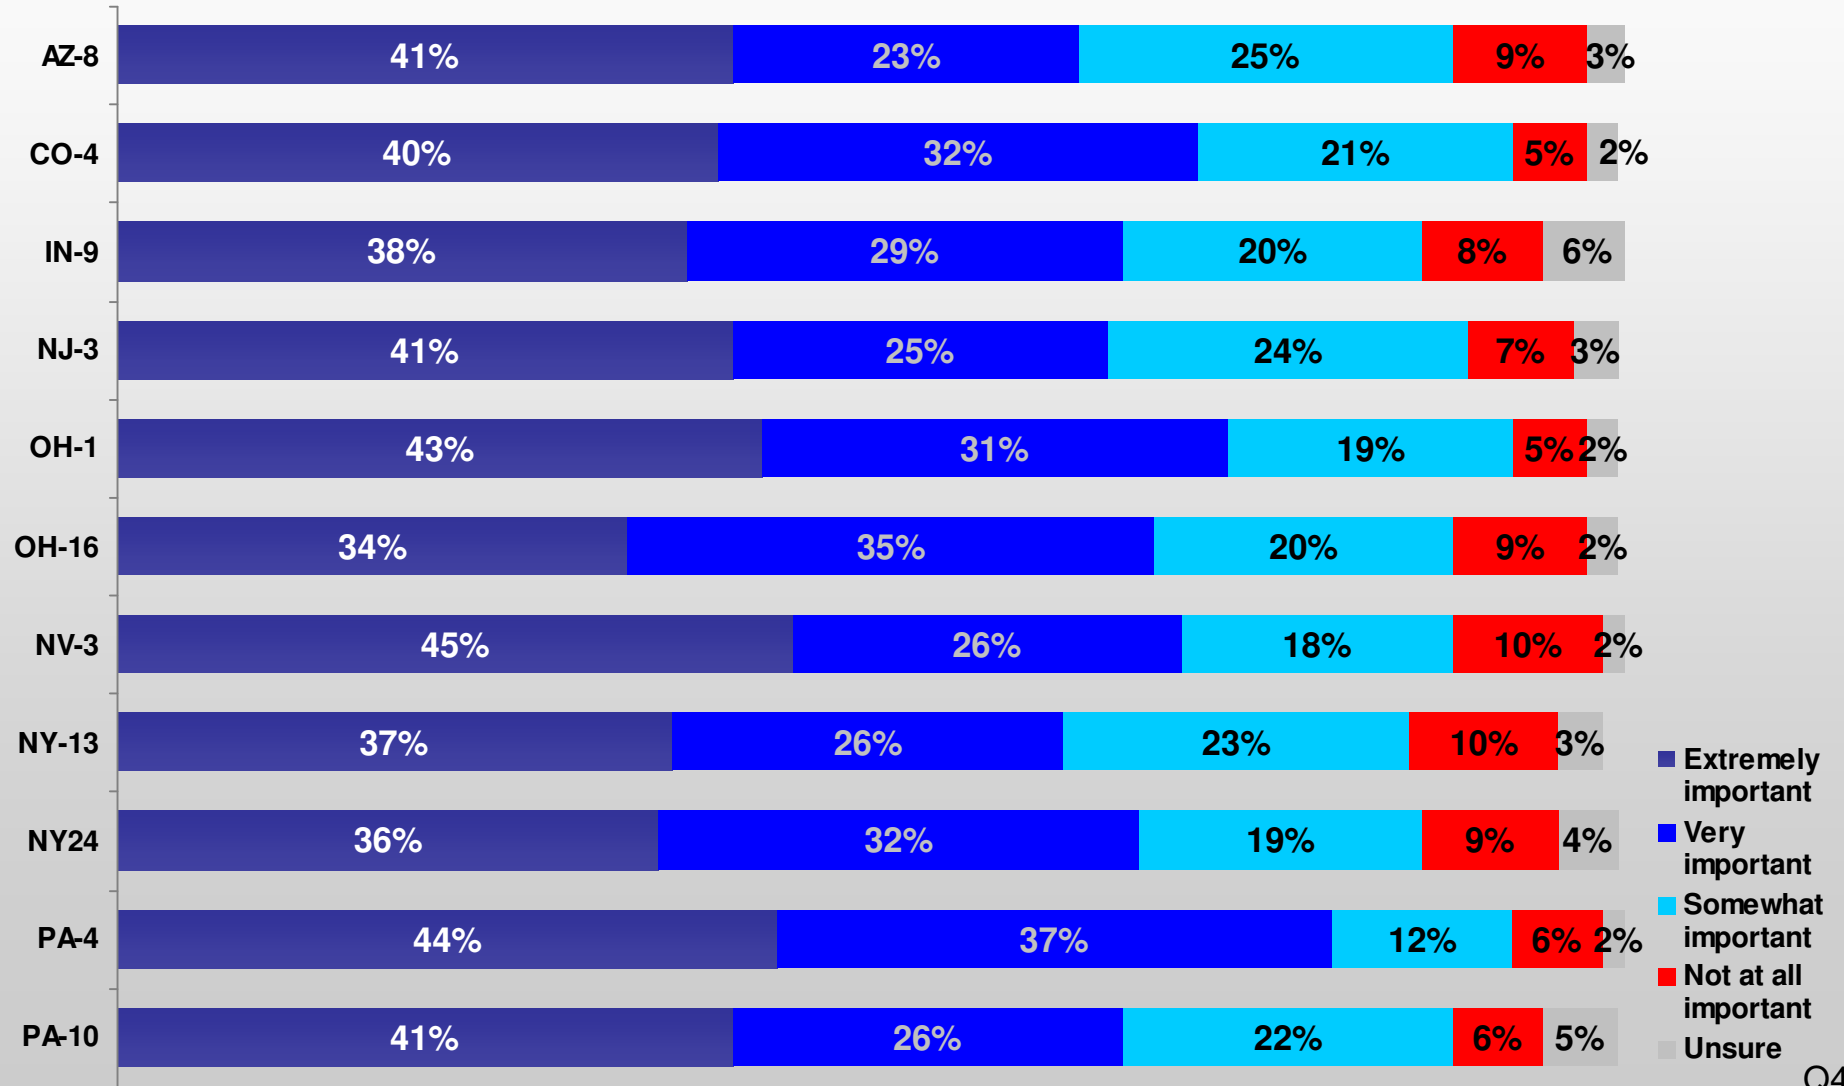

Now, if this health care reform legislation passes - Do you think your taxes will be raised in order to pay for this program?

THE TARRANCE GROUP

March 7-8, 2010 / N=300 "likely" voters per district / ±5.8% M.O.E.

Thinking about your own Member of Congress – How important would you say that your own Member of Congress' vote on this health care legislation will be to your decision on whether to vote to re-elect them? Would you say that their vote would be...

THE TARRANCE GROUP

March 7-8, 2010 / N=300 "likely" voters per district / ±5.8% M.O.E.

Do you agree or disagree with the following statement –
The health care bill being proposed by President Obama and the Democrats in Congress would raise your taxes, increase the federal budget deficit, and cut Medicare for seniors.
